New York City.

Gentlemen:-

"Perä-Pohjolan Kotiseutuyhdistys" (The Far-North Home-society) in Finland has coined a medal in memory of the 300-anniversary of the town of Tornio. The society wishes to present the medal to the five most prominent numismatical collections in the United States and has requested me to send a list of such collections.

As I am not familiar with the numismatical collections in this country, I most respectfully ask you, as experts, to send me a list of such collections, which could have interest of a Finnish medal. The society especially wishes to present one of the medals to Philadelphia, Pa., as this place was the first one in America where a Finnish settlement was founded in 1638.

Hoping that you will not refuse to help me, I am

Respectfully yours,

Eero Hagan
